§ 24. Section 369-a of the executive law, as added by chapter 557 of the laws of 2013, is amended to read as follows:

§ 369-a. Legislative findings. The legislature hereby finds that it is estimated that over the next five years, forty-four thousand veterans are expected to return to this state from their military posts, making the Empire State home to one of the largest veteran populations in the country. Shockingly, the unemployment rate for Post-9/11 veterans in New York was 10.7% in two thousand twelve, which is nearly one percent higher than the national average and higher than the state's overall 8.2% unemployment rate. The legislature has found previously that it is in the interest of the state to ensure that returning veterans have employment opportunities available upon their separation from military service.

The state already encourages private businesses to hire military veterans through tax credits and other economic incentives. In addition, the legislature has previously found that state agencies spend millions of dollars annually on temporary staff hired from temporary employment service companies to cover temporary staffing needs. These temporary state jobs could serve as a bridge for recently discharged military veterans who have yet to find full-time permanent work. In addition, these temporary assignments could serve to develop the next generation of the state workforce and help with succession planning for the current workforce.

The legislature declares it to be the policy of this state to use [honorably discharged] veterans for temporary appointments in state agencies rather than utilizing temporary employment service companies in order to provide employment opportunities for returning military veterans.

The order shall designate the person or persons having charge of the removals and reinterments. Upon completion of the removal, reinterment and resetting of the headstones or monuments, the person or persons having charge of the same shall make a verified report of the removal, reinterment and resetting of the headstone or monument and file the report in the clerk's office of the proper county. § 81. Paragraph (a) of subdivision 8 of section 15 of the workers' compensation law, as amended by chapter 635 of the laws of 1996, is amended to read as follows:

(a) Declaration of policy and legislative intent. As a guide to the interpretation and application of this subdivision, the policy and intent of this legislature is declared to be as follows:

First: That every person in this state who works for a living is entitled to reasonable opportunity to maintain his independence and self-respect through self-support even after he/she has been physically handicapped by injury or disease;

Second: That any plan which will reasonably, equitably and practically operate to break down hindrances and remove obstacles to the employment of partially disabled persons WHO (I) ARE honorably discharged from our armed forces, OR (II) HAVE A QUALIFYING CONDITION, AS DEFINED IN SECTION THREE HUNDRED FIFTY OF THE EXECUTIVE LAW, AND RECEIVED A DISCHARGE OTHER THAN BAD CONDUCT OR DISHONORABLE FROM SUCH SERVICE, OR (III) ARE DISCHARGED LGBT VETERANS, AS DEFINED IN SECTION THREE HUNDRED FIFTY OF

S. 45--B

46

THE EXECUTIVE LAW, AND RECEIVED A DISCHARGE OTHER THAN BAD CONDUCT OR DISHONORABLE FROM SUCH SERVICE, or any other physically handicapped persons, is of vital importance to the state and its people and is of concern to this legislature;

Third: That it is the considered judgment of this legislature that the system embodied in this subdivision, which makes a logical and equitable adjustment of the liability under the workers' compensation law which an employer must assume in hiring employees, constitutes a practical and reasonable approach to a solution of the problem for the employment of physically handicapped persons.

Moreover, because of the insidious nature of slowly developing diseases such as silicosis and other dust diseases and because of the reluctance on the part of employers to employ persons previously exposed to silica or other harmful dust, means should also be provided whereby employers will be encouraged to employ and to continue the employment of such persons, by apportioning liability fairly between the employer and industry as a whole without at the same time removing any incentive for the prevention of harmful dust diseases.
